Visible

Organize your thoughts with pages and rich text

Privacy

Public Profile

Make your profile visible to other users and on the leaderboard

Control which sections are visible on your public profile

Habits

Visible

Your habit streaks and completion grids. Each habit can also be hidden individually.

Tasks

Visible

Your task completion activity grid. Only shows counts, not task content.

Focus Timer

Visible

Your focus session activity grid. Only shows time spent, not session details.

Notes

Visible

Your notes activity grid. Only shows word counts, not note content.

Goals

Visible

Your goals and progress. Each goal can also be hidden individually.

Vision Board

Visible

Your mission, eulogy, bucket list, and life plans. Each section can also be hidden individually.
